

Need a doctor?

Healthcare at your fingertips

Welcome to Aotearoa! If you ever need medical care, we're here to help! You can visit us in clinic or online and use many of our services as a casual patient.

Need to see a doctor today?

- > See the next available clinician via the Tend app for same day care.
- > Online service for immediate healthcare issues that can't wait
- > Doctors available 7 days a week until 9pm
- > Book via the Tend app and the doctor will video-call you when they become available.

Scan the QR code for more info and to download the Tend app

tend

In New Zealand you can see a general practice doctor or nurse as a casual patient, but you will need to pay for this service. If you have travel insurance you may be able to claim this back. Message us in the app or talk with one of our friendly receptionists prior to your appointment.

Other medical services:

- > Sexual health & contraception
- > Immunisations
- > Health check-ups and tests
- > Mental health consult
- > Injury and general x-rays
- > Medical referrals
